Dear Mr Brouwers

I am writing to thank you for the opportunity to attend the marvellous finals of the World Team Cup at Roermond on Sunday.

The warmth of the hospitality, the standard of the tennis, and the organisation of the closing ceremony all made the day a memorable one.

I am sure you, and your many staff colleagues and volunteers, can take great pride in the achievement of World Team Cup '95.

It is now up to Australia to follow your example - we shall try!

Yours sincerely
